Based on ANCAP rating for 06+ models with front+side+head airbags

Others' Safety Rating

Based on ANCAP rating for 06+ models with front+side+head airbags

Vehicle ratings are based on a 5 door, tiptronic model.

Estimated Sale Price

Based on the information you have provided we estimate the vehicle's value as follows:

Excellent: \$47,118

Average: \$42,846

Poor: \$38,575

The condition of your car will affect its likely sale price, and is defined as the following:

Excellent: The vehicle is in excellent condition with very little refurbishment required, although there may be some minor defects.

Average: The vehicle's body and trim are in average condition for the age and mileage of the vehicle. Some panel work and trim refurbishment may be required.

Poor: The vehicle is in below average condition, and requires paint and/or panel work.

Other factors that may affect where your vehicle will fall on this price scale include location, colour and transmission type.

Comparable Sales

We have found 1 sale within the last 12 months that is comparable to the vehicle details that you entered. For more information please refer to the following pages where we have provided detailed vehicles and sales data for up to 5 most recent comparable vehicles.
